

LIQUID SOFT 'N' SOUR

Laundry Brightener Softener and Neutralizer

Properties

LIQUID SOFT N' SOUR is an excellent conditioning fabric softener, clothes whitener, and neutralizer. After the harsh alkaline "break" process, this product will gently neutralize the excess alkalinity and impart excellent anti-stat and softener to the laundry load. In addition, high quality perfumes will give long-lasting freshness to all the washable items. The whitening agents in this product are unsurpassed.

Applications

LIQUID SOFT N' SOUR is intended for institutional laundry use.

Physical Properties

Color	Blue
Scent	Pungent odor
Density (20 °C)	8.67 lbs/gal
pH (1%)	<2

Directions for Use

The use of this combination product will be necessary during the rinse cycle to reduce excess alkalinity from the alkaline wash cycle. Normal use concentrations require about 2-4 oz. of this product per 50 lb. load. A pH of 5-7 in the rinse water should be maintained.

Packaging

This product is available in 5 gal pails. Additional sizes are available upon request.

Important: Read and understand label and Safety Data Sheet (SDS) for complete listing of hazards, precautions, first aid statements, and storage and handling information. SDS are available from the distributor of this product. 24-Hour Emergency Response Line 1-800-255-3924.
