

SOFT & SOUR

Laundry Brightener Softener and Neutralizer

Properties

SOFT & SOUR is an excellent conditioning fabric softener, clothes whitener and neutralizer. After the harsh alkaline "break" process, this product will gently neutralize the excess alkalinity and impart an excellent anti-stat and softener to the laundry load. In addition, high quality perfumes will give long-lasting freshness to all the washable items. The whitening agents in this product are unsurpassed.

Physical Properties

Color	Blue opaque
Scent	Fragrant odor
Density (20 °C)	8.6 lbs./gal
pH	2.5-3.5

Directions for Use

Pre-sort laundry prior to wash. Pre-soak and/or pre-spot laundry when necessary. Place proper amount of soiled linen into laundry machine. In wash cycle, inject a recommended liquid laundry break and a recommended liquid laundry detergent or inject recommended break and suds directly from shipping container. When bleaching, inject recommended liquid laundry bleach into the laundry machine directly from the shipping container. When souring and softening in the final rinse cycle, inject this product into the laundry machine directly from the shipping container. A final pH of 5.0-6.5 is recommended for the linen. NOTE: Concentrations will vary due to environmental conditions and load size. Your sanitation specialist will adjust properly to meet your needs.

Packaging

This product is available in 5 gal pails. Additional sizes are available upon request.

Important: Read and understand label and Safety Data Sheet (SDS) for complete listing of hazards, precautions, first aid statements, and storage and handling information. SDS are available from the distributor of this product. 24-Hour Emergency Response Line 1-800-255-3924.
